- Fully sealed with IP66 and IP67 ingress protection
- ECE R10 compliant
- 5 year warranty

MODEL 39

COMBINATION STRIP LAMPS

Narva is excited to add stop/tail and indicator Combo Strip Lamps to the successful Model 39 low profile range. The new Narva Model 39 Combo Lamps come in both low profile recess or surface mounts and are road legal when fixed both horizontally or vertically. Heavy duty, UV stable ASA covers ensure the powerful L.E.Ds are well protected when mounted to trucks, utility trays, trailers and caravans.

FEATURES

- Low profile recess mount or surface mount housings
- 9-33V multi-voltage circuitry for 12 or 24V vehicles
- Virtually unbreakable polycarbonate lenses
- UV stable ASA covers and housings
